Harry E. Price
Relevant Experience and Knowledge

I am running for reelection to the Vice-President position of the Cameron Glen Homeowners Association. My family, including two 13-year-old children, have enjoyed living here. It has been a pleasure of being in this role for the last two years serving with these excellent colleagues who are on the board and helping in other areas. While not always realized, they have worked diligently taking care of our neighborhood and the additional work of sorting out the demands of the COVID Virus. Having learned a lot from this experience, I would like to continue this work with these neighbors.
